

03-524 Aluminum Assembly Fixture is built from 3 pieces: the Top & Bottom Crossbars and a Vertical Connector.

ALIGN the 8 holes in the Vertical Connector with the 4 holes in the Top & Bottom Crossbars (see **GREEN** Arrows) and **CONNECT** the 3 pieces with the hardware listed below from the included hardware kit (follow diagram for correct stacking order):

- 8 3/8-16 x .75 Hex Head Bolts
- 8 Washers
- 8 Nuts

Be sure that the angled flanges are positioned across the top and bottom edges, and are angled toward the same side.

Aluminum Assembly Fixture Return Merchandise Authorization (RMA) Form

This **Aluminum Assembly Fixture** is property of **ROCKART, Inc.**, and should be promptly returned to ROCKART after the kiosk is installed. To receive proper credit/refund of the security deposit, please follow the instructions below:

We are unable to issue a refund without an INVOICE number to reference!

*Please write the Invoice# on **BOTH RED LINES**, at the bottom of this page!*

After the kiosk is installed, and you're ready to return the Assembly Fixture, simply:

- Cut out the **RMA Form** (bottom left corner) and place it inside the shipping box.
- Cut out the **SHIP-TO Label** (bottom right) and tape it to the outside of the package, if needed.
- Only **undamaged**, **re-usable** Assembly Fixtures may be returned for a refund.
- If possible, re-use the original shipping boxes/containers to package the Assembly Fixture.
- **DO NOT** return the hardware kit (i.e., nuts, bolts, washers) included with the Fixture.
- Choice of shipping carrier and all shipping costs are the customer's responsibility (we highly recommend selecting a provider that provides a way to track shipments).
- ROCKART is not responsible for items that are lost, damaged or mishandled by the shipping provider.
